The Ace Truck Group

The Ace Truck Group is comprised of individuals, trusts and companies who wish to ensure that the operations of Ace Africa are as effective as possible, by funding its fleet of vehicles.

The Ace Truck Group provides additional and replacement vehicles to transport Ace Africa's professional team in its work in poor rural districts of East Africa, presently in Kenya and Tanzania. The preferred model is a dual cabin pick-up truck, which can transport our Ace team members, community volunteers and beneficiaries, as well as supplies for our support activities. In some districts Ace Africa also uses vans. Vehicles are selected based on sevice and spares availability as well as suitability for the rough roads and tracks that are encountered. Typically new vehicles cost £25,000 and last about six years. Usually Ace would purchase a second hand vehicle that is bought for around £15,000 but has a shorter economic life span.

The Ace Truck Group members are asked to make an initial contribution on joining towards the capital costs of additional and replacement vehicles and an annual subscription of £480 with Gift Aid or £600 without Gift Aid towards the ongoing replacement of the fleet. The whole of these contributions and subscriptions, without deduction, goes directly towards the purchase of vehicles.

THANK YOU VERY MUCH FOR SUPPORTING ACE AFRICA
